

Aluminium Profile Handle For Wardrobe/Cabinet

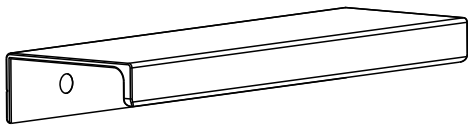

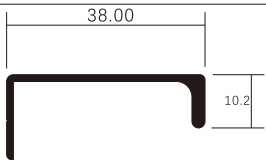

CNC-machined aluminium kitchen handles blend precision, durability, and style, making them ideal for modern kitchens. This advanced manufacturing ensures uniform, elegant designs that resist wear and corrosion, perfect for the demands of daily use. Their lightweight nature doesn't compromise on strength, offering ease of use and installation. These handles fit seamlessly into any decor, from sleek, contemporary to classic, enhancing the kitchen's aesthetics with minimal maintenance required. A simple wipe keeps them looking new, aligning with the minimalist trend for a clean, sophisticated look. Aluminium handles are a smart, cost-effective upgrade, marrying functionality with modern design elegance.

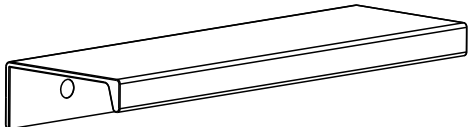

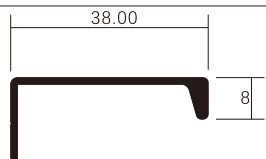

Capable of supporting a range of textures and finishes, they seamlessly integrate into any kitchen décor, whether you're aiming for a sleek, contemporary look or a more traditional vibe. The precision of CNC machining offers unique design possibilities, adding a personalized touch of sophistication to your kitchen.

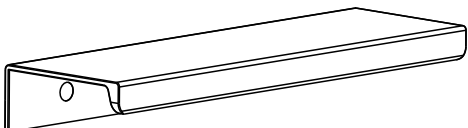

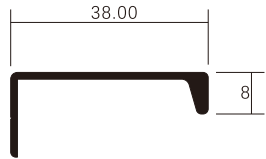

Moreover, the maintenance of these aluminium handles is remarkably straightforward, requiring just a simple wipe to maintain their pristine appearance. This ease of care is especially beneficial in the kitchen, a space where cleanliness is paramount.

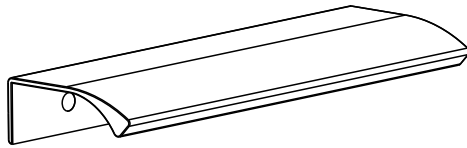

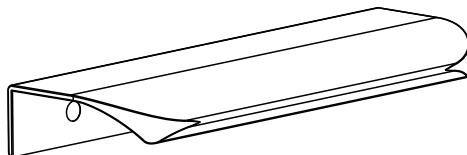

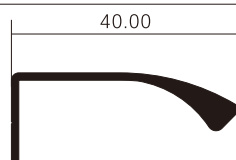

Code	YF-5770-01
